Building Sustainable Partnerships Through Quality, Transparency & Excellence

OUR CORPORATE PHILOSOPHY

AT ELAN PETROCHEMICALS,

we believe in building sustainable business relationships driven by transparency, accountability, and operational excellence. Our management approach focuses on long-term partnerships rather than short-term transactions, ensuring consistent value creation for our customers, suppliers, and stakeholders.

COMPANY OVERVIEW

We, **ELAN PETROCHEMICALS**, are a dynamic petrochemical trading and supply company specializing in the sourcing, marketing, and distribution of petroleum and petrochemical products.

We focus strongly on **quality, compliance, and timely delivery**, serving industrial clients, traders, and end-users across regional and international markets.

Leveraging deep industry knowledge and a reliable supplier network, we provide **customized solutions** that meet diverse operational and commercial requirements.

At ELAN PETROCHEMICALS, we believe in building **sustainable business relationships** driven by transparency, accountability, and operational excellence. Our management approach focuses on **long-term partnerships rather than short-term transactions**, ensuring consistent value creation for our customers, suppliers, and stakeholders.

VISION & MISSION

OUR VISION

To become a trusted global partner in petrochemical trading by delivering consistent quality, transparent business practices, and long-term value to our customers and partners.

OUR MISSION

Our mission is to supply high-quality petrochemical products that consistently meet international standards, ensuring that excellence is delivered to every client. We provide reliable logistics and on-time delivery to maintain the efficiency of our partners' operations. By prioritizing integrity and performance, we strive to build long-term partnerships that foster mutual growth. Furthermore, we are committed to the continuous expansion of our global sourcing capabilities and customer base, strengthening our position as a leader in the international trade market.

- ◆ Soda Ash
- ◆ Sodium Bicarbonate

ACIDS & REACTIVE CHEMICALS

- ◆ Sulphuric Acid
- ◆ Nitric Acid
- ◆ Citric Acid
- ◆ Oxalic Acid
- ◆ Acetic Acid
- ◆ Hydrogen Peroxide

INORGANIC CHEMICALS

- ◆ Sodium Chloride
- ◆ Sodium Nitrite
- ◆ Sodium Silicate
- ◆ Sodium Bromide
- ◆ Activated Carbon
- ◆ Aqueous Ammonia
- ◆ Barite
- ◆ Bentonite
- ◆ Boric Acid

WATER TREATMENT & OILFIELD SOLUTIONS

WATER TREATMENT CHEMICALS

- ◆ Coagulants & Flocculants
- ◆ Calcium Chloride
- ◆ Calcium Hypochlorite
- ◆ Ferric Chloride
- ◆ Polyaluminium Chloride
- ◆ Antiscalants
- ◆ Biocides
- ◆ Corrosion Inhibitors
- ◆ Defoamers
- ◆ Oxygen Scavengers
- ◆ Aluminium Sulphate
- ◆ Ferrous Sulphate
- ◆ Sodium Metabisulphite
- ◆ Sodium Bisulphite
- ◆ Sodium Sulphite

OILFIELD & DRILLING CHEMICALS

- ◆ Guar Gum
- ◆ Xanthan Gum
- ◆ Friction Reducers
- ◆ Gel Breakers
- ◆ Emulsion Breakers
- ◆ Gluteraldehyde
- ◆ Sodium Sulphide

ALCOHOLS, GLYCOLS & AMINES

ALCOHOLS & AMINES

- ◆ 2 Ethyl Hexanol
- ◆ Benzyl Alcohol
- ◆ Diacetone Alcohol
- ◆ Ethanol (All Grades)
- ◆ Iso Butanol
- ◆ Iso Propyl Alcohol
- ◆ Methanol
- ◆ N-Butanol
- ◆ N-Propanol
- ◆ Morpholine
- ◆ Monoethanolamine
- ◆ Diethanolamine
- ◆ Triethanolamine
- ◆ Di-Isopropanolamine
- ◆ Diglycolamine
- ◆ Methyl Diethanolamine
- ◆ Sodium Lauryl Ether Sulphate(SLES)

GLYCOLS & GLYCOL ETHERS

- ◆ Monoethylene Glycol
- ◆ Diethylene Glycol
- ◆ Triethylene Glycol
- ◆ Propylene Glycol
- ◆ Polyethylene Glycol
- ◆ Monopropylene Glycol
- ◆ Butyl Diglycol
- ◆ Butyl Diglycol Acetate
- ◆ Butyl Glycol (EGMBE)
- ◆ Butyl Triglycol
- ◆ Ethoxy Propanol
- ◆ Ethoxy Propyl Acetate
- ◆ Ethyl Glycol
- ◆ Ethyl Glycol Acetate
- ◆ Methoxy Propanol
- ◆ Methoxy Propyl Acetate
- ◆ Methyl Diglycol

MONOMERS & PERFORMANCE CHEMICALS

KETONES & MONOMERS

- ◆ Acetone
- ◆ Methacrylic Acid
- ◆ Cyclohexanone
- ◆ Methyl Acrylate
- ◆ Methyl Ethyl Ketone
- ◆ Methyl Methacrylate
- ◆ Methyl Iso Butyl Ketone
- ◆ Styrene Monomer
- ◆ 2 Ethyl Hexyl Acrylate
- ◆ Vinyl Acetate Monomer
- ◆ Acrylic Acid
- ◆ Butyl Acrylate

AUTOMOTIVE FLUIDS

- ◆ Magnesium Oxide
- ◆ Nitrate of Soda
- ◆ Potassium Carbonate
- ◆ Industrial Performance Fluids
- ◆ Antifreeze
- ◆ Specialty Blended Fluids
- ◆ Potassium Iodide
- ◆ Methylene Chloride
- ◆ Hydrated Lime
- ◆ Perchloroethylene
- ◆ EDTA Tetrasodium Salt
- ◆ Trichloroethylene
- ◆ Potassium Permanganate
- ◆ Silica Flour

INDUSTRIAL CHEMICALS

CHLORINATED CHEMICALS

- ◆ Methylene Chloride
- ◆ Perchloroethylene
- ◆ Trichloroethylene
- ◆ Silica Flour
- ◆ Magnesium Oxide
- ◆ Hydrated Lime
- ◆ EDTA Tetrasodium Salt
- ◆ Potassium Permanganate
- ◆ Potassium Iodide
- ◆ Potassium Carbonate
- ◆ Nitrate of Soda

OUR SERVICES

- International & Domestic Trading
- Bulk Supply & Contract Sales
- Documentation & Trade Compliance Support
- Quality Inspection & Lab Coordination (COA / Third-party testing)
- Logistics & Shipping Coordination
